SELECTMEN'S MESSAGE

Office Hours: Monday 7:00pm – 9:00pm

1. Congratulations to the School Committee for their success in withdrawing from the Monadnock Regional School District, a first when contested in the state. We encourage all residents to assist as they can to the effort needed to reestablish the Surry School District. It is also worth a reminder to all, that under New Hampshire law, school affairs are separate from town affairs, even in a town as small as Surry.
2. 2007 saw the completion of the rebuilding of the last section of the Joslin Road, making it much easier to travel and maintain. This year's goal is to apply a seal coat to the entire length of the road.
3. As you will read elsewhere, the fire department took delivery of their new truck in 2007. By setting money aside in capital reserve funds and paying taxes semi-annually, borrowing money is now very rare for Surry, which made obtaining the fire truck loan quite a challenge.
4. In what was a learning experience for everyone, property assessments were statistically updated in 2007. The update raised our equalization ratio that compares assessed value to sales price from 64% to 97.8% and improves our image as a responsible community within the state.
5. We would like to remind you that if you are making any additions to your current building or erecting a new building, please contact the Selectmen's office for a building permit.
6. A severe spring storm that damaged the roof on the town hall steeple reminded us that while concentrating on replacing motor vehicles Surry has neglected our town hall in recent years. For that reason, we are asking for the establishment and your support of a fund from which repairs and maintenance of the town hall and attached carriage shed can be paid. The town hall needs painting, but it seems more appropriate to address structural issues first.
7. We would like to thank Fred Breton for his dedication to Surry's emergency management plans and encourage all to support him in those efforts.
8. Many thanks to Larry Sportello for maintaining his town wide e-mail network. Those not aware of this can contact

Larry to be added to his distribution list @ lsportello@ne.rr.com so this can become an even better means of communication.

9. For anyone who is interested, benches that were formally used in the town hall are available for sale for \$100 by contacting a Selectman.
10. After many years of trying, Surry was notified as of October 31, that our residents who live in a flood plain are now eligible to purchase flood insurance.
11. We want to thank all who volunteer their time to the town by serving on various boards and committees and performing various functions. Someone has to do these things, and we are very grateful to those who are willing. Anyone interested in volunteering your time, please visit the Selectmen Mondays between the hours of 7 and 9pm.
12. 2007 marked the year Sandy Winter retired as Selectman's secretary, a role she has cheerfully and energetically filled for many, many years. Cindy Robichaud has been hired as bookkeeper/secretary. We thank Sandy for her many years of dedicated service, wish her well in her retirement, and warmly welcome Cindy to the Selectman's office.

STATE OF NEW HAMPSHIRE – TOWN OF SURRY
COUNTY OF CHESHIRE
TOWN WARRANT - 2008

To the inhabitants of the Town of Surry, in the County of Cheshire, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in Surry on Tuesday, the 11th of March, 2008 from 2:00 p.m. to 7:00 p.m. to cast written ballots to act upon the following articles:

1. To choose all necessary Town officers as listed on the official ballot.

In addition, you are hereby notified to meet at the Town Hall in Surry on Thursday, March 13th, 2008 for the business meeting at 7:00 p.m. to act on the following articles:

2. To hear the reports of the Town Officers and Committees.
3. To see if the Town will establish as a town forest as provided in RSA 31:110 the so called Graf property located on tax map 5B lot 74 that was donated to the Town on August 1, 2002 by deed recorded at the Cheshire Country Registry of Deeds, or take any action in relation thereto.
4. To see if the Town will authorize, as provided in RSA 31:112, the Surry Conservation Commission (created on March 9, 1971) to manage the Graf property, if that property is established as a town forest under Article 3 of this Town Warrant, or take any action in relation thereto.
5. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place into the ongoing capital reserve fund for ADA compliance at the Reed Free Library, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
6. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into the ongoing capital reserve fund for highway equipment, or taken any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
7. To see if the Town will vote to raise and appropriate the sum of \$45,000 for constructing a salt/sand shed, with \$30,000 plus all interest withdrawn from and thus discontinuing the capital reserve fund established for this purpose and the balance to be raised this year through general taxation, or take any action in relation thereto. The Conservation Commission supports this appropriation. The Selectmen and Budget Committee recommend this appropriation. (Majority vote required).
8. To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Town Hall and Carriage Shed Maintenance Fund, for the purpose of repairing and maintaining the town hall and attached carriage shed, and to raise and appropriate the sum of \$60,000 for this fund, with the sum of \$33,942 from fund balance and the remaining \$26,058 from general taxation, and to name the Selectmen as agents to expend from the fund, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
9. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of making road improvements, or to take any action in relation thereto. (Majority vote required).

10. We the citizens of Surry, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the "Pledge", have an open discussion covering all options, and adopt a revenue system that lowers property taxes, or take any action in relation thereto. By Petition.
11. To see if the Town will vote to authorize the Selectmen to petition the United States Postal Service for the issuance of a new and unique ZIP code for the Town of Surry, New Hampshire, or take any action in relation thereto. The petition should also list the many reasons that would be advantageous for the United States Postal Service to issue a new and unique Zip Code, such as faster mail delivery, more accurate mail delivery, less confusion for postal service customers. In addition to the Postmaster General, John Potter, the following persons should also be notified with copies of this petition: Senator John Sununu, Senator Judd Gregg, Representative Paul Hodes. By Petition.
12. We, the undersigned, wish to petition the Town of Surry, in addition to what is presently provided, to appropriate and arrange as needed, for spring, summer and fall seasonal, routine maintenance to the approximate one mile section of town road, known as Mine Ledge Road North, in the Town of Surry, NH, or take any action in relation thereto. Such additional care requested to include, but not be limited to: routine care and maintenance, done no less than monthly, as deemed necessary by the road agent, but not limited to: grading – to remove the wash boarding ripples and the wash outs and craters on the road, also grading to help sculpture to control water run off directed to the shoulders and help to control or alleviate wash-outs, adding of gravel or crushed stone as needed, filling in pot holes and all else that will maintain the road in a safe manner for vehicles and school bus. Presently there now are approximately eighteen homes on this one mile stretch of road. With the increased growth of homes and volume of traffic on the Mine Ledge Road North, and the additional revenue to the Town's tax base due to this growth, this basic and timely maintenance is not unreasonable. By Petition.
13. To see if the Town will vote to authorize the Selectmen, in the best interests of the Town, to dispose of two pianos in the town hall, or take any action in relation thereto.
14. To see if the Town will vote to raise and appropriate the sum of \$347,955 for general municipal operations, or take any action in relation hereto. This total does not include warrant articles addressed individually. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.)
15. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 18th day of February in the year of our Lord Two Thousand Eight.

True Copy of Warrant – Attest Selectmen of Surry

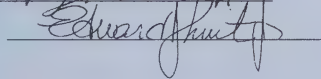

Bruce A. Smith

Hugh V. Clark

Edward J. Winter, Jr.

LIBRARIAN'S REPORT - 2007

Carolyn Locke, Librarian

Monday and Thursday 3:00pm – 8pm

Total number of books in library 12/31/2006	7,900
Number of Books added in 2007	300
Number of books discarded in 2007	200
Number of audio and video tapes	100
Number of items in circulation 12/31/2007	8,000

Amount collected in fines	\$45.00
---------------------------	---------

Circulation:

Adult Fiction	610
Adult Nonfiction	72
Juvenile Fiction	754
Juvenile Nonfiction	102
Audio/Video Tapes	34
Total	1,572

The Reed-Free Library has reached number 450 in their numeric numbering system. This number represents the number of residents who have shown an interest in the library by obtaining a library card, allowing them to take books from our circulation.

Our two adult reading groups are still active. I never cease to be amazed at the interesting selections they find each month to read and discuss. Both groups are willing to take on more members. Although the Wednesday group disbanded for the winter months, they plan to start again in March.

The afternoon group meets the 3rd Wednesday of each month at 3:00p.m.

The evening group meets the 2nd Monday of each month at 6:30p.m.

The Summer Reading Program, a favorite of all our young people, always has something for all ages and interests. This past summer we took an imaginary trip across the USA. Each reader selected a special area in the United States to read and talk about. There was much offered and I feel the children must have learned a great deal about our country.

Our readers this year were Melissa Crotto-Young, Karen Hagen, Suzanne Hoy, Becky Huntley,

Marilyn Jarvis, Jeanine LeClerc, Michelle Levesque, Nadine Surprenant, Michelle Thornton, Lori Warner, and Jennifer Wichland.

For our last activity Michelle Thornton held an ice cream social – ice cream being familiar to all Americans. The evening activity was very well attended and enjoyed by all.

The Surry Village Charter School children come to the library on a regular basis. Each class is scheduled at a separate time. The younger grades often listen to a story read by the librarian and then explore our shelves for interesting books to take back to school for the up-coming week. The older grades are often looking for information for special school projects.

Michelle Thornton and Becky Huntley have been leading a movie night held on the last Friday of each month for the families in Surry. If other parents are interested in helping, feel free to contact the library.

We always appreciate your donations. The books enable us to offer more up-to-date material to be shared by all. Please don't forget us.

Respectfully submitted,

Carolyn M. Locke

Conservation Commission 2007-8 Report to the Town

The Conservation Commission has been busy this year reviewing building permits and site plans for management practices to protect water quality. If you are considering any work on your property, please be sure you are in compliance with wetlands rules and regulations. The Commission would be glad to help you access the natural features of your property and can direct you to professionals that will help you coordinate your plans with best practices in land and water management.

The Commission is considering several conversation projects for the coming year. We will be testing water quality in some of the major waterways in town. This will establish a baseline, from which to compare water quality in the future. We have also been working with Southwest Regional Planning and the Monadnock Conservancy to better understand the land and water resources that exist in town. We wonder if some conservation work should happen on the Town Hall and the shed next to it. Does the town need more office space in the Town Hall?

The Commission is working with the Monadnock Conservancy to develop a management plan for the Chase-Graff property, also known as the Town Forest. This is the conservation land that was donated to the town. The Commission welcomes public input regarding what recreational uses the town would like to see in the Town Forest and what development, such as a parking lot, would be needed.

The Commission would like to urge anyone who appreciates open space to consider putting a conservation easement on their property. Please feel free to contact us for any help you might need. This past year, a very large tract of land on Surry Mountain was sold to an anonymous buyer who may want to develop it.

The Conservation Commission performed a clean-up in August of land on Joslin Road. Three pick-up trucks, a camping trailer, tires and a wood stove were removed by volunteers including the Boy Scouts. Thanks to all for their hard work. The land owner made a nice donation to the Conservation Fund as thanks for our efforts.

We are still seeking volunteers to help with the on-going clean up of litter and illegal dumping. We have identified several dumpsites in need of clean up. If you are willing to help, please contact the Conservation Commission. If your property borders a well-traveled road, we hope you will consider picking up the litter along your property. Please contact the Commission if you would like bags for this purpose.

The Commission recommends that the Town continue to support the funding request for construction of the Town Salt Shed. If the 2008 warrant article is approved, all the money needed will have been raised and the work can begin this fiscal year.

One of our members attended the Clean Air-Cool Planet Conference in Manchester in October. UNH environmental scientists feel that climate change has gone past the point-of-no-return. If we do nothing, by the end of the century, they predict that NH's climate will be like that of North Carolina. If we reduce our carbon emissions by 80% by 2050, we will "only" have the climate of Pennsylvania. The Commission urges citizens to be mindful of all their energy use and seek ways to reduce it.

The Commission has been quite involved in reviewing the restoration work in the Merriam Farms Inc. project, which is nearing completion. Had permits been sought ahead of the work, guidance could have been provided by state and local officials resulting in preservation of the natural watershed, and avoidance of significant soil erosion.

If it's wet-don't forget-call the Conservation Commission. We meet at the Town Hall the third Tuesday of every month. All are welcome, especially anyone who would like to serve on the Commission.

SURRY FIRE DEPARTMENT – 2007 ENGINEER'S REPORT

Another year has passed with no major fires in town. Our medical calls continue to be the most frequent occurrence, followed by motor vehicle accidents. We did have a couple of mutual aid calls to surrounding towns with significant fires at which we were able to lend assistance.

Our members have done extensive training on our new truck. Thus far it has proved to be of excellent craftsmanship, and performs as we had hoped it would. Turning radius, handling, and power are superior to our previous trucks. She's a good looking truck, and won 'best of show' at the Keene Fire Fighter's parade this fall. It's hard to believe, but it's already approaching time for our one year warranty review, time passes fast it seems. Drivers have been training on the truck thru the year. A special course was conducted, and commercial driver licenses were acquired by all operators. In addition, operators have taken an emergency vehicle operators course as part of our driver requirements. Also our members continue to take outside training to learn new skills in both the medical and fire fields.

There are no major undertakings planned for the year 2008 locally, however South Western Mutual Aid has received a grant to implement computer assisted dispatching which will entail upgrades within all participating towns including Surry. The cost of this program is to be funded initially out of the grant.

The Engineers and members would like to thank the people of the Town of Surry for your ongoing support. Additionally, the engineers thank our members for their service. The town has a fine bunch of people in our members.

Respectfully submitted,

Fire Engineers, Town of Surry:
John Berglund
Roger Bienvenu
Durwin Clark

SURREY POLICE DEPARTMENT
Year End Report – 2007
<http://home.webryders.net/surrey/>

I'm afraid that we must begin this years report on a rather sad note. Officer Roger Turcotte resigned at the very beginning of last January after working with us for numerous years. Soon after his resignation, he passed away. He has been missed by many!

On a more positive note, we welcomed Officers Scott Talbot and Joseph Marquay to our ranks. Officer Talbot has been in law enforcement for about 10 years, most of which was working for one of the Sheriff's Departments in Vermont. Officer Marquay joins us with about 4 years of experience, primarily working with the Walpole Police Dept. We hope you join us in making them welcome within the Town of Surrey.

We began the summer months with numerous reports of car break-ins, thefts, and criminal mischief. All from the Dort Rd swimming hole parking lot. All of the thefts probably could have been prevented if the owners of the vehicles had secured them and not left valuables out in plain sight. We are finding more and more frequently that this area has become a very popular party spot and more often than not, families are being displaced by younger people with alcohol. We are hoping for the addition of some town ordinances to assist in curbing this situation.

The Mc2 program, currently residing in the Surrey School has provided us with several felony level criminal cases. Most of which have been solved. We have also received numerous traffic related complaints about the students driving habits, which for the most part have been addressed. We have obviously noticed a fairly significant increase in traffic along the Village Rd attributed to the Charter School, no traffic complaints, just please be aware of this while walking in the Village.

Some of our equipment is beginning to show its age. We have begun sending our service weapons in for refurbishing. Our ballistic vests are probably due for replacement soon as well as some records management components. We will begin planning accordingly. The Crown Vic cruiser suffered some significant damage this past fall when a violent prisoner the Lt was transporting to the jail managed to kick out all the windows in the

rear doors. This resulted in some additional charges against the prisoner. Restitution has already been recovered and the repairs have been made. Both cruisers have since been outfitted with some additional protective equipment.

Our overall activity numbers seem to be down this year, which is a good thing. Hopefully, this is a direct result of more active patrolling and not the “calm before the storm”. Our animal complaints are way down which is wonderful, and we also have seen quite a decrease in residents calling our homes for assistance, and we thank you for that!

As usual we want to extend our thanks to the Surry Fire, Rescue and Highway departments for their continued assistance and support throughout the year.

Respectfully Submitted,

Gerald Clark, Chief of Police
Joel Huntley, Lieutenant
Scott Talbot, Patrolman
Joseph Marquay, Patrolman

The following is a summary of the Policy Departments activity for 2007.

13	MV Accidents
4	MV Accidents W/Injuries
0	MV Accidents Hit & Run
0	MV Accidents - Fatality

THIS DOES NOT INCLUDE ANY CALLS FOR SERVICE HANDLED BY THE STATE POLICE

122 Total calls for Service as of 12/31/2007
183 Calls 2006

HISTORY FOR TOWN REPORT

The Surry History Committee had a much quieter year in 2007 than previous years.

We were able to put the taped oral histories of many townspeople that Sheila Breton recorded over many years onto CD's. This will be a more lasting record for future generations to enjoy. Oral histories have recently gained recognition as a valuable method of recording the history of everyday life. Surry was fortunate that Sheila had the foresight to begin this task, years ago.

We are also grateful to Chris Warman who volunteered to make the tapes onto CD's at minimal expense thus saving the town a great deal of money.

The History Committee would like to thanks Sheila and Chris for their generous efforts in accomplishing this project.

We also purchased a CD player. The player and tapes are at the Reed Free Library for everyone to use.

Marilyn Jarvis, Chairperson

EMERGENCY MANAGEMENT REPORT – 2007

The year 2007 did not require any active response from Surry Emergency Management.

During the year, I was able to complete several training courses from the Federal Emergency managements Agency (FEMA), however the State has modified its training program to the detriment of local Emergency Manager.

Several of the Fire Department Officers and myself have been involved for the past year in the Keene area All Health Hazards Planning Group. Should there be a serious health situation affecting Surry this group will be essential in providing help to the citizens of the town.

If you would like any help, information or training in preparing for any emergency, please call me at home 352-5789 or contact any of the Fire Department Officers.

Also anyone who is interested and would like to become involved, please contact me. Without your help, what can be done in an emergency in Surry may be limited.

Respectfully submitted,

Frederick Breton, Emergency Manager

RECREATION COMMITTEE TOWN REPORT

As in years past the Recreation Committee provided a buffet supper prior to the Town Meeting in March.

Old Home Day was held in August. There were games for the children, including stilt walking. There was a history exhibit in the library along with the newly made oral history CD's.

Fred and Sheila Breton were honored as Citizens of the Year. They have contributed in many ways to the town of Surry over the years. Both are members of the Surry Fire Department. Fred today also serves as Emergency Management Director. Both he and Sheila saw a need for the homes and lots on Surry's roads to be numbered for emergency reasons. So they began their work of numbering the roads at fifty-foot intervals. Surry was far ahead of other towns in the state when in 1995 the 9-1-1 systems were implemented. Sheila also organized the Carol Sing at Christmas entertaining the homes of Surry for over twenty years.

As always the Surry Firemen provided a Chicken BBQ, which is always enjoyed by many. The Recreation Department provided the dessert for this event.

Anyone who is interested in helping or has ideas for the Recreation Department is welcome and asked to contact any member of the Committee.

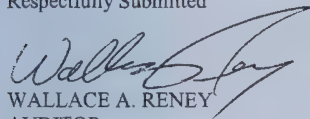

Recreation Committee
Maureen Bigelow,
Marilyn Jarvis,
Sharon Sweeney

REPORT OF TOWN AUDITOR
2007

TO THE SELECTMEN OF SURRY

I hereby certify that I have examined the accounts of the Town Officers for Surry, New Hampshire for the Calendar Year 2007 and find the Receipts to the Treasurer properly recorded and Disbursements by the Treasurer properly recorded.

Respectfully Submitted

MINUTES OF TOWN MEETING
March 13, 2007

The Surry town business meeting was opened at 7:00 p.m. by Nancy Callender, Town Moderator. Surry Boy Scout Troop #289 presented the colors for the Pledge of Allegiance.

The polls were open on March 13, 2007 from 2:00 p.m. to 7:00 p.m. to choose the town officers as listed on the official ballot.

The rules of order were given by the moderator as to how the meeting would be conducted.

Supper for residents of town who wished to partake was provided by the Surry Recreational Committee prior to the meeting.

John Berglund, Fire Chief, spoke on the new fire truck and mentioned that the fire department has smoke detectors to give to anyone who needed them.

Rebecca Todd, Attorney for the committee looking into the Town of Surry withdrawing from Monadnock Regional School District, spoke to the audience about the work and progress they had made on this issue thus far and to let us know what the plans are for the future.

ARTICLE 1. To choose all necessary Town officers as listed on the official ballot. The moderator reported the results of the election.

ARTICLE 2. Are you in favor of the adoption of Amendment proposed by the Planning Board for the Town Zoning Ordinance as follows: To see if the Town will vote to following wording to the end of Article VII, Section B of the Zoning Ordinance. "This includes, but is not limited to, uses that were conforming from variance or special exception." This is proposed by the Planning Board for Add the clarification purposes. PASSED
Voted by paper ballot-03/13/07 – YES – 121

NO - 27

ARTICLE 3. Are you in favor of the adoption of Amendment 2 as proposed by the planning Board for the Town Zoning Ordinance adopting a Groundwater Protection District Ordinance per the "Source Water Protection Plan for the Town of Surry, NH" dated August 2006, as presented at the Public Hearing and proposed by the Planning Board. PASSED
Voted by paper ballot-03/13/07 – Yes – 117

NO - 32

ARTICLE 4. To hear the reports of the Town Officers and Committees. ACCEPTED.

Motion to move Article – Edward Winter

Seconded – Bruce Smith

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$50,000 for the purchase of a new fire truck. (Majority vote required). ACCEPTED.

Motion to Article – Bruce Smith

Seconded – Ed Winter

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place into an ongoing capital reserve fund for the purpose of library ADA compliance. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required). ACCEPTED.

Motion to move article – Edward Winter

Seconded – Bruce Smith

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into an ongoing capital reserve fund for highway equipment. The selectmen and Budget Committee recommend this appropriate. (Majority vote required.) ACCEPTED.

Motion to move Article – Bruce Smith

Seconded – Edward Winter

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$15,000 to place into an ongoing capital reserve fund for the purpose of constructing a salt and sand shed, or take any action in relation thereto. The Conservation Commission supports this appropriate. The Selectmen and

Budget Committee recommend this appropriate. (Majority vote required). ACCEPTED.

Motion to move Article – Earl Anderson

Seconded – Robert Fuerderer, Jr.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of making road improvements, or to take any action in relation thereto. (Majority vote required.) ACCEPTED.

Motion to move Article – Dave Callender

Seconded – Bruce Smith

ARTICLE 10. To see if the Town will vote to authorize the Board of Selectmen, in the best interests of the Town, to dispose of the benches formerly used in the upstairs of the Town Hall, or to take any action in relation thereto. ACCEPTED.

Motion to move Article – Edward Winter

Seconded – Robert Fuerderer, Jr.

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen, in the best interests of the Town, to dispose of the Dell Pentium 4 computer system purchased in 2003, or to take any action in relation thereto. ACCEPTED.

Motion to move Article – Robert Fuerderer, Jr.

Seconded – Edward Winter

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$296,524 for general municipal operations, or to take any action in relation thereto. This total does not include warrant articles addressed individually. The Selectmen and Budget Committee recommend the appropriation. (Majority vote required.) ACCEPTED.

Motion to move Article – Carolyn Berglund

Seconded – Susan Farrell

ARTICLE 13. To transact any other business that may legally come before the meeting.

Mr. & Mrs. Chapkovich asked for clarification on the re-assessment process of the Town and Bruce Smith, Selectmen responded.

Nancy Balla wanted to know if the re-assessment of individual houses was going to be spread out throughout the town.

Ross Legere talked about flood issues. Bruce Smith mentioned the Selectmen knew about it and are addressing it.

Fred Breton – Fire Department just gave a quick synopsis about what they have been doing lately.

Kathy Sportello wanted to know why the Police Department didn't ask for their usual \$5,000 to put in the Capital Reserve Fund.

Meeting was adjourned at 8 p.m.

Respectfully Submitted,

Darlene Clark,
Town Clerk

2008 REPORT OF SENATOR MOLLY M. KELLY

As your State Senator, I am again honored and privileged to have the opportunity to serve you. This report will bring you up to date on important issues in the New Hampshire Senate affecting you, as residents of Surry.

While I serve on the Capital Budget, Education, Executive Departments and Administration, and Transportation and Interstate Cooperation committees in the Senate, there are some specific issues on which the Senate will focus during the current legislative session: costing an adequate education, strengthening the New Hampshire Retirement System, providing broadband service, improving access to healthcare and housing, and addressing highway funding and our statewide transportation infrastructure, as well as improving job opportunities.

Last session, the Senate concentrated on several key issues important to the citizens of New Hampshire: helping working families by increasing the minimum wage; protecting our citizens' health by implementing a smoking ban in restaurants and bars, increasing access to health care by supporting expanded eligibility to health insurance, protecting New Hampshire's special places and open spaces by increasing funding of the Land and Heritage Investment Program, adopting consumer protections for individuals facing foreclosure and reducing the dropout rate in our high schools by raising the age of compulsory attendance. We also passed a fiscally responsible state budget for the FY 2008-2009 biennium that meets the needs of our most vulnerable citizens without a sales or income tax.

In FY 2007, the Town of Surry received a total of \$262,174 in Education Grants; \$21,405 in Highway Block Grants; \$28,602 from the Meals and Rooms Tax distribution and \$5,585 in Revenue Sharing.

I would be happy to hear from you on any of the topics above, or other issues of concern. If you wish to contact me about these or any other matters I might assist you with, please call me at (603) 271-7803 or email me at molly.kelly@leg.state.nh.us.

Respectfully submitted,
Molly Kelly
